**MAINE MEP OPERATIONS MANAGER IS APPOINTED TO BOARD OF  
DIRECTORS FOR WOMEN UNLIMITED**

*Rosemary Presnar Accepted as Newest Board Member to Organization*

**AUGUSTA** – Rosemary L. Presnar, operations manager for the Maine Manufacturing Extension Partnership (Maine MEP) has recently accepted a Board of Directors position for Women Unlimited, a non-profit trade and technical training organization whose mission is to improve the economic well-being of Maine women, minorities and displaced workers.

Presnar is a leader in the Maine manufacturing sector, helping companies make changes that will ultimately increase productivity and revenue.

While Women Unlimited provides Maine women access to trade, technical and transportation careers, they also offer services to minorities and displaced workers, and offer re-training and placement assistance to those in need. The Board of Directors meets six times a year. For more information on Women Unlimited, visit [www.womenunlimited.org](http://www.womenunlimited.org).

**About Maine MEP**

Maine MEP is an affiliate of the NIST under the U.S. Department of Commerce. The national MEP is a network of manufacturing extension centers that provide business and technical assistance to smaller manufacturers in all 50 states, the District of Columbia and Puerto Rico. Through MEP, manufacturers have access to more than 2000 manufacturing and business “coaches” whose job is to help firms make changes that lead to greater productivity, increased profits, and enhanced global competitiveness.
