**\*\*MEDIA ADVISORY\*\***

**MAINE MEP RECOGNIZES KENWAY CORPORATION  
AS MANUFACTURER OF THE YEAR**

*Award Presented on June 4th at Kenway's Augusta Facility*

The Maine Manufacturing Extension Partnership (Maine MEP) is honoring Kenway Corporation with its distinguished Manufacturer of the Year award, at a ceremony at Kenway's facility in Augusta on Wednesday, June 4th at 10 a.m. Kenway Corporation is a nationally known fabricator of fiberglass products for the marine, pulp and paper, and power industries, and has been in business for more than 60 years. Maine MEP's Manufacturer of the Year award is presented every year to a company that has achieved world-class manufacturing status and has implemented best manufacturing practices required to advance in the marketplace.

- WHO:** Kenway Corporation  
Maine MEP  
Commissioner John Richardson, DECD  
Senator Libby Mitchell  
Representative Kim Silsby (D - Augusta)  
Representative William Browne (R - Vassalboro)  
Representative Patsy Crockett (D - Augusta)  
Staff members of Maine's congressional delegation bearing greetings and salutations
- WHAT:** Award ceremony honoring Kenway Corporation as Maine MEP's Manufacturer of the Year
